The school in this picture has 5 things which show that it is not an EkoSkola. Are you able to find them?

Is your school an EkoSkola?

EkoSkola gives you a chance to improve the environment of your school. If your school becomes environmentally friendly ... an EkoSkola, I will personally come and award your school with the Green Flag so that you can show everyone your school's success. If you want to learn more about EkoSkola, ask your teacher.
